

NHTT Transport Group Meeting

26 October 2009 8pm Giffordtown Hall

Present: Louise Barron, Clare Hamilton Sturdy, Crispin Hayes, Hamid Van Koten

Apologies: Jill Donnachie

- **Minutes**

Accepted

- **Core Path Consultation Results**

Alison Irvine has not responded regarding the Core Path Consultation and landowner responses. We need to carry out further consultation with landowners as well as getting the official feedback.

Action- Clare/Crispin to set up a meeting with Alison Irvine

- **Progress a Path feasibility study**

Crispin has requested that the coordinating group be notified of his interest in carrying out Path Development Consultancy work stating that transport group has reached consensus with this. This will be done via email.

Our budget for feasibility/project development is £2,500, which will take us to stage where able to apply for money for construction. There is scope for reallocating some money from other budgets to make the total up to £3,000.

Action- Crispin to put together proposal

- **BikeParking**

Action: Clare to look into getting Bike bins, cycle parking. Where should they go? We will get information from survey.

- **Discussed putting a Climate Challenge Fund bid in for construction of paths. Agreed to do this.**

Still on track for getting note of interest in by mid November

- **TripShare**

Talked about having trip share signs at the sign of the road. One on A91 and A92 each direction. Also could be used for livery on Bike Bins etc. This could also have NHTT logo. Clare can get sign designed. Not sure if BEAR will have to put together/approve.

Action: Clare to speak to them and feedback at the next meeting.

- **Letham Primary School**

Discussion around gaining support with the school. Someone from council will be going to school soon to start school travel plan. Then there is a route audit done of routes that have been highlighted. Outcome is an Action plan for the school.

Next meeting: 7.30pm Monday 30 Nov Letham Hall
